Reports have been received from the Inspector General of Police and the Deputy Commissioners of the marginally noted districts. The other Deputy Commissioners have not yet replied, but the report of the I.G. of Police covers those districts also.

2. It is seen that the situation is quite satisfactory, as usual.

3. As the I.G. of Police bases his reports on those received by him from the districts, it is a point for consideration whether separate reports from Deputy Commrs. is also necessary.

4. Reports of the previous 2 months are also put up.
